Directions
Turn off the Sheikh Zayed Road at exit 43 (old Interchange 3) signposted for Al Quoz if travelling from Abu Dhabi direction or do a U turn at this interchange if travelling from Sharjah/ Dubai direction. Travel towards Dubai along the slip road but turn off to the right before the Noor Bank Metro Station and before the slip road rejoins the Sheikh Zayed Road. Follow the signs for the Metro around the Volkswagen showroom. Turn right at the T junction in front of the Nissan service centre. We are at the end of the road on the right, opposite DEWA and there is metered parking adjacent to our yard. Alternatively if you take the Metro we are a 4 minute walk from Noor Bank Station.
